## ALBANY REACHES ONLY 1% OF BOND QUOTA

By CLYDE T. GORDON

With only one more week to reach its quota in the current War Loan drive, faces the city of Albany, the few in the State failing to meet its quota to our Fighting Forces.

At press time, barely 80 per cent of the quota of \$443,792 had been reached locally, a total of \$340,000, the city lagging by fully 20 per cent in the drive, Chairman Wil. Bowman of the local War Finance Committee, today issued this to the men and women of Albany:

"We can do it if we try hard," he said. "There seems no limit to what our fight men can achieve. Given tasks that seem almost superhuman, faced with perils in the face of enemy fire, they go over the top and accomplish their missions."

"Why can't we at the home front do as much? We are not being asked to sacrifice or even to risk our lives. All that Uncle Sam has asked of us is that we lend our money . . . at good interest . . . not only to help hasten the day of victory and peace, but to spare ourselves from an inflation that is inevitable unless we turn idle dollars into War Bonds."

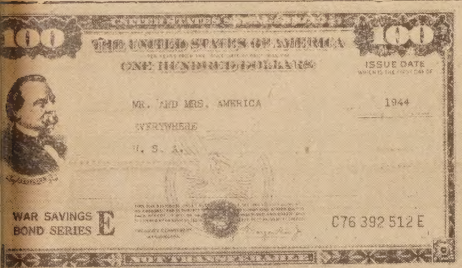

"I urge that the remaining week of this year be devoted to greater bond buying than ever before. Every department of our organization, every group in the bond campaign, is geared to work as they never have worked before."

"Let us bring Albany 'over the top' before the dawn of 1945."

Locally, Walter Harder, representing the Knights of Pythias, and the Maccabee organization have done

## Eagles to Present Xmas Party

For the sixth consecutive year, the children of Albany, all ages up to 12 years, will be the guests of Bayview (Albany) Aerie, Fraternal Order of Eagles, Sunday afternoon, December 24 at 2 p. m. in the Cornell School auditorium.

This visit of Santa Claus to Albany annually is the highlight of the holiday season for local children and this year will be no exception, according to Clyde Gordon, chairman of the Eagle committee in charge of the party.

Promptly at 2 p. m. Ed Howell, Superintendent of recreation and member of the local Aerie, will open the party as master of ceremonies leading the children in singing Christmas carols.

Immediately following the singing will be the appearance of Dell Le Clair, noted clown, juggler and unicyclist whose performance is especially programmed for the children.

Billy Lyons, famed ventriloquist, will then be featured in a 20-minute act designed to hold the attention of young and old. Howell will add to the program with several acts of magic for which he is locally renowned.

Following the featured entertainment numbers Santa Claus will make his appearance to distribute 'gifts and goodies' to children present. A capacity crowd is expected as the Eagles have invited all children in the city to attend this party which is devoted strictly to youngsters—no speeches are scheduled.

At their meeting last week Theta Sigma Phi sorority members were pleasantly surprised when Eileen Boyd passed around the traditional five-pound box of candy announcing her engagement to Lt. Eugene W. Lukes.

## Mobile Blood Unit to Visit Albany Dec. 28-29

The Mobile Blood Procurement Unit will visit the Berkeley-Albany Chapter December 28 and 29, it was announced today by Mrs. Walter Teasdale, chairman of the Blood Donor Service for the chapter. Appointments may be made by telephoning Berkeley 1430.

It is necessary that 100 pints be filled on each visit of the unit or there will be a shortage in the boxes of plasma sent overseas. Mrs. Teasdale pointed out the necessity of persons keeping their appointments as when the allotment is reached for the one visit other 'would-be' donors are turned away because the time was believed to have been filled.

It is urged to—Make your Christmas gift a pint of blood . . . a gift of life to some wounded service man!

## 'Y' DANCE FOR SERVICEMEN SATURDAY NIGHT

The club rooms of the Albany YMCA have been decorated by servicemen and Junior Hostesses for their Christmas dance which is to be held this Saturday night.

The singing of carols by the girls' choir and a tumbling act by Randal, Roslyn and Rollo Botten will provide entertainment for the dance. Betty Nora and Esther Hansel will present a doll dance. Other gymnastic acts also have been planned. Refreshments will be served.

The host and hostess for the evening will be Mr. and Mrs. David Fullerton. A gift will be presented to each serviceman attending the dance. The 'Y' will be open to enlistees on Christmas Day, according to Elmer Coble, executive secretary.

## Council Defers Action on Mosquitoes

Bringing to a climax her "one woman campaign" for the inclusion of Albany in the Alameda County Mosquito Abatement District, Mrs. Kathie Zahn of Santa Fe Avenue, turned in to the City Council Monday evening, her petition signed by 512 persons. In turn, Mayor Bert E. Hill has asked City Attorney Joseph J. Yovino-Young for an opinion.

As Monday is Christmas Day the council voted to meet on Tuesday evening and at that time action is expected to be taken on Mrs. Zahn's petition.

In presenting the petition Mrs. Zahn stated that she had obtained the necessary signatures by calling at Albany homes between November 22 and December 15. As most of the work was done at night she was especially grateful to the Albany Police Department for its "thorough work in patrolling the unlighted sections of the city."

Early in November Mrs. Zahn appeared before the City Council asking that serious consideration be given to the proposal that Albany become a part of the Mosquito Abatement District. The matter was referred to Dr. Robert McMahon, city health officer, and City Engineer Ulric Grey for an opinion. They reported:

"It is our opinion that what few mosquitoes may be found here do not originate in this city but are migrants from other communities. We see no necessity of paying several hundred dollars a year to treat a non-existing breeding ground."

It was immediately after this opinion was given to the council that Mrs. Zahn started her campaign to secure the necessary number of signatures, required by law for Albany's annexation to the Abatement District.

Last Monday evening more than 100 friends and employees of the Palm Gardens enjoyed a gala Christmas party at the Solano Avenue establishment.

Advance planning by Mrs. Elma ("Mom") Aaker, manager of the dining room, and Freddie Rose, host in the cocktail lounge, made this holiday event a gala affair. Much pleasure was evidenced by the "civilians" at this party for the presence of many "familiar faces" now in the "armed forces who are home on leave at this time."

## Albany Rotarians Fete Children

The Albany Rotary Club held its annual Christmas party at the Veterans Memorial Hall Tuesday with one of the largest crowds in the history of the club present.

A turkey dinner and all the 'trimmin' was provided for more than 115 members and guests of the club. The program was highlighted with entertainment for both the little ones and the grown ups.

Under the direction of Stephen Lehmer the Albany High School Glee Club sang Christmas carols. A trio, under direction of Armin Wegner, presented several musical numbers. Marilyn and Shirley delighted their audience with a piano duet. Erwin Rubin, one of Albany's musical geniuses, played several selections on three different instruments. Charles, Chase and Bob, storekeepers at the NLFED, gave a number of hillbilly selections which were enjoyed by members and guests.

Walter Stover, popular magician of the Bay Area, amused the audience with many of his magic stunts. Santa Claus arrived in all his glory with a gift for every youngster present. Walter Keyes, president of Rotary, presided.

The Christmas committee in charge of the affair included Armin Wegner, George Losse, Fred Granholt and Elmer Coble.

## HENRY VILLA OPENS SECOND LOCAL STORE

With the sincere wishes and co-operation of his many friends and customers Henry Villa this week is announcing the opening of a second store at 1284 San Pablo Avenue.

Henry, a member of one of Albany's pioneer families, opened a Firestone Auto and Supply Store at 929 San Pablo a few years ago. Since that time this popular store has been enlarged and now the new store will serve patrons from the new Housing Project in Berkeley and Albany.

## BOARD OF EDUCATION NAMES NEW TEACHERS

The regular meeting of the Board of Education of Albany Unified School District was held last Thursday evening, December 14. At that time it was reported that Codornices School located in the Federal Housing project, Codornices Village, is now the largest elementary school in the district with a total enrollment of 762 students. Because of this fact, the hiring of additional teachers was approved, bringing the staff to a total of 21 teachers.

Teachers who were appointed are Mrs. Eloise Cameron, Mrs. Estella Lindsay, Miss Vera Bryan, Mrs. Jeannette Bruce, Barbara Holmes, Kathryn Heist and Bernadine Sanderson. Due to the fact that enrollment at Codornices is large and will

probably continue to increase, the Board of Education approved the plan of putting grades one, two and three on double shifts. This provides for the scheduling of classes for the first, second and third grades in both the morning and afternoon in Codornices School with each section putting in a minimum of four hours and a teacher being employed for each shift. The first shift will attend school from 8:30 to 12:30 and the second shift will attend from 12:30 to 4:30. This plan will become effective following the Christmas holidays.

For the beginning of the second semester, starting in February, the board also approved the employment of an additional teacher for Cornell School and for Albany High School.

## Christmas Seals and what they mean

The first Christmas seal was designed in 1904 by a Danish postal clerk, Einar Holboell, who proposed this means of raising money to fight tuberculosis. The idea was adopted by our own country in 1907, and since then the sale of Christmas seals has been a feature of every Christmas season.

During this time, funds obtained from sales have saved countless lives threatened by tuberculosis. They have made it possible to establish sanatoria, open air schools, research laboratories . . . and to provide tuberculin tests and X-rays wherever needed. They have served in educating us to the idea that tuberculosis can be both prevented and cured . . . and that some day it may be completely conquered.

These facts make it well worth your while to join the crusade against tuberculosis. You can do it by purchasing Christmas seals—as many as you can.

yeoman work during the past few weeks, Bowman stated, augmenting the work done by the local Eagles, Legion, Exchange Club, Rotary Club, Lions Club and many others who have assisted in the drive to date. He also noted two additional large allocations to the city, one by the Standard Oil Company and the other by Foster and Kleiser.

The committee chairman singled out for particular praise the house to house campaign which was so successful during this drive and which was handled by the women's organizations of the city. Bowman declared that the ladies did a "perfect job" and deserve the whole-hearted thanks of the city.

The women's organizations participating under the general chairmanship of Mrs. Gertrude Ross were the American Legion Auxiliary, Veterans of Foreign Wars Auxiliary, Lady Maccabees, Native Daughters of the Golden West, Women's Breakfast Club, Pre-School Mothers Club, Eastern Star, Marin, Cornell and Albany High P. ## Northbrae Church To Hold Annual Xmas Services

Rev. Laurance L. Cross and the congregation of Northbrae Community Church moves to the Oaks Theatre Sunday morning at 11 o'clock for their annual Christmas service.

This service has been conducted there for many years because of the large attendance and because the theater can be darkened for the impressive and beautiful Ritual of a Thousand Candles which dramatizes the favorite Christmas carol "Silent Night."

The musical program this year, led by Capt. Harry Burdick, organist-director, includes besides the Com-

munity Choir, Martha Tabb, trumpet; Charles Fredericks, NBC baritone, and the Garfield Girls Glee Club of 75 led by Blanche Coriveau.

Christmas Sunday evening the traditional Midnight Manger Service will be held at the church beginning at 11 and ending with the stroke of midnight.

For families, carollers and those who do not desire to stay up so late a preview and exact duplicate will be given at the church at 8 p. m.

The church is located on The Alameda just off Solano Avenue.

## St. Alban's

Special Christmas carols by the choir, under the direction of Frank Humphreys, will be featured from 10:30 to 11 o'clock on Christmas Eve, to be followed by the midnight communion service with traditional music. Dr. Randolph Crump Miller of the Church Divinity School of the Pacific will preach on "Christ Is Here."

At 9 a. m. Christmas Day (Monday), there will be a service of holy communion, with hymns and a sermon by Dr. Miller.

On Sunday morning Dr. Miller will preach on "Christ Is Near," dealing with the meaning of the Advent season. The Church School will meet at 9:15 a. m. for a special service and informal "Quiz Kids" program.

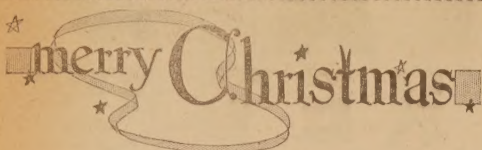

## GRACE LUTHERAN

 The Sunday School and Bible class meet at 9:45 a. m., followed by the morning hour of worship at 11 o'clock. The Rev. O. R. Janke, pastor, will speak on the topic "Born to Give Joy," the last in the series of sermons on "The Birth of Christ."

This Sunday at 7 p. m. the Children's Christmas service will be held, featuring group recitations, carols and a brief message by the pastor on "The Lights of Christmas."

On Christmas Day at 11 a. m. the festival service will be held, the pastor speaking on the theme "This Is Our God!" The Treble Clef Choir, under the direction of Helmer Hanson, will sing several anthems and carols, including a special arrangement of "Silent Night."

It's something like driving a jeep, this job... whisking around the S. P. Station on a little tractor... pulling baggage and mail trucks, etc. No experience required. Good gang to work with. Plenty going on—troops arriving, trains, locos moving. Liberal age limits. New, higher railroad pay. A good solid job with a permanent company.

**ANNOUNCE ENGAGEMENT**  
Mr. and Mrs. Harold A. Boyd of Albany last week announced the engagement of their daughter, Eileen Lillian, to Lt. Eugene W. Lukes, Maritime Service, son of Mr. and Mrs. Adolf V. Lukes of El Cerrito.

The bride-elect is a graduate of Albany High School and has for the past four been a member of the "Harmonettes." Besides her association with this popular group of singers, she has been employed in the art department of Permanent Metals Corporation.

**Birthday Party**  
The 500 block on Curtis Street vibrated with the sounds of childish laughter intermingled with giggles and war whoops as the younger set gathered at the home of Mr. and Mrs. J. Borges to honor their son, Jerry, on his eighth birthday, December 5.  
An evening of fun ensued with games, stunts and songs followed by refreshments.  
Decorations were patriotic in the spirit of the day and the birthday table featured a large cake with eight candles. Small red and white paper, crates, eagle mounted, and containing varied colored akro agates were used as party favors.  
Among those present were Sheila Ansani, Sandra Myers, Lynn Williamson, Earlyn Hooker, Carole and Nancy Borges.  
Gary Smith, Emalyn Cox, Frank Cox, Louis Ansani, Bill Lawless, Danny Reamer, Phillip Utterback, and Ronald Hansen.  
Too many judge right from wrong on the basis of which pays best.
